

# BCC Student Ministries

Richard Stearns is the president of World Vision and in his book, *The Hole in Our Gospel*, he quotes a pastor. “Morgan Chilulu, an African pastor of a small and humble church in the midst of the AIDS pandemic, once told me, ‘A church that lives within its four walls is no church at all.’ That says it all.”

Around our world there are millions that don't get to eat. Most of us have never experienced hunger. There are some who will say that this just the way it is and there's nothing we can do about it. Students around the world began to say in a loud voice that this is NOT ok. Something is terribly wrong. They wanted to be part of the solution and thus was born the 30 Hour Famine. Our kids will raise money, collect food, fast for 30 or 40 hours, talk to others about this worldwide problem, sleep in boxes or on the ground, and try to let the hurt of starving children cut deep into their hearts. As we ready ourselves again this year for our 30 Hour Famine, we think of the millions of people who are in such desperate need. Our famine will begin on June 5<sup>th</sup> at Noon and end on the 6<sup>th</sup> at 6PM at Broadway. Please be in prayer for our students as they work together with those around the world to make a difference around our world in the name of Jesus Christ! Bono, of U2, asks this question to all of us: “Do we have the will to make poverty history?”
