Micah 6:6-8 “What Does God Want from Me?”
September 2, 2018

We don't deserve God's love, and we can't earn it.

- Hebrews 10:22-23

God loves us because He loves us.

What does God want from us?

To act justly means to treat everyone fairly.

To love mercy means to love people with your actions.

To walk humbly with God means to trust God in all you do.

- Colossians 3:17
