Romans 1:18-25 “The Foolish Exchange”  
May 12, 2019

*Every sin is a foolish exchange.*

People exchange worshiping God for worshiping idols.

People exchange God’s truth for the world’s lies.

We might exchange time with God for meaningless entertainment.

We might exchange supporting God’s Kingdom for reckless spending on selfish wants.

We might exchange sex within marriage for sexual impurity.

We might exchange loving our neighbors for hating people who are different.

We might exchange sharing the good news for fitting in with the world.
