Romans 8:31-39 "God Is for Us"
June 23, 2019

God has proven He is for us.

Jesus died for us.

God justifies us.

Jesus intercedes for us.

God's love for us is powerful.

Because God is for us, He blesses and protects us.

God stands with us when others oppose us.

God blesses us with good things He knows we need.

God calls us righteous when others condemn us.

God gives us strength to conquer every enemy.

God holds us close forever.
